

## WE CARE- This is what we are doing to keep our community safe and healthy

We have continued to maintain cleanliness of all locations with enhanced cleaning, sanitizing and disinfecting of all surfaces, common areas and equipment.

Including but not limited to:

- All glasses
- Plates
- Utensils
- Kitchen and bar equipment
- All chairs
- Tables
- Restrooms

We have added additional hand sinks, and sanitizing stations which are readily available to our staff.

We are recommending all employees take precautionary health measures, including frequent hand washing, social distancing, and staying home when sick.

Above the Bar Hospitality's response to dealing with Covid-19 is closely aligned with recommendations outlined by WHO and CDC as well as government decisions.

**WE CARE about the well-being of our family of employees and guests.**
